PROTECTING CALIFORNIA'S INFRASTRUCTURE FUTURE

California voters decide on key state and local ballot measure propositions November 3 that will shape infrastructure funding and project delivery for years to come. Here's where UCON stands, and why it matters to your business.

✗ NO ON CA PROPOSITION 40

Jeopardizes state funding for roads and infrastructure.

✗ NO ON CA PROPOSITION 43

Risks billions in local infrastructure funding

✓ YES ON CA PROPOSITION 45

UCON's top priority. Streamlines permitting so essential infrastructure projects move into construction faster.

✓ YES ON RIVERSIDE COUNTY MEASURE A

Renews the local sales tax that funds \$280 million a year in transportation projects.

✓ YES ON SAN BERNARDINO COUNTY MEASURE I

Extends the local sales tax that funds \$200+ million a year in transportation investment.

✓ YES ON CONNECT BAY AREA TRANSIT

Protects transit operations and hundreds of millions in regional capital investment across five Bay Area counties.

✓ YES ON OAKLAND MEASURE EE

Clearer accountability for infrastructure delivery.

✓ YES ON SAN FRANCISCO PROP E

Faster, more efficient city contracting.

✓ YES ON SAN FRANCISCO PROP F

Greater accountability for public works and permitting.

✗ NO ON LOS ANGELES MEASURE LA

Don't let city government compete with private businesses.
