Construction work remains essential work under statewide SIP.

COVID-19 - GOVERNOR ISSUES CLARIFICATIONS FOR CONSTRUCTION INDUSTRY

UCON Members and Industry Partners:

Governor Newsom has updated the California COVID-19 resource page to include a full list of essential critical infrastructure work, outlining construction as an essential service during the statewide SIP ordinance.

Listed under Community-Based Government Operations and Essential Functions: (page 10-11)

- **Construction Workers** who support the construction, operation, inspection, and maintenance of construction sites and construction projects (including housing construction)

- **Workers** such as plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of construction sites and construction projects (including those that support such projects to ensure the availability of needed facilities, transportation, energy and communications; and support to ensure the effective removal, storage, and disposal of solid waste and hazardous waste)
