RE: Laborers Training Center

On March 16, 2020, Bay Area residents across six Bay Area counties were ordered to “shelter in place” until early April. The intent of the Order is to slow the spread of COVID-19 to the maximum extent possible, while enabling essential services to continue. The order applies to all residents in the counties of Alameda, Contra Costa, Marin, Santa Clara, San Mateo, and San Francisco. The Laborers’ Training Center (LTC) is located in Contra Costa County. The order went into effect beginning at 12:01 AM Tuesday morning.

Therefore, the LTC is releasing this notification to inform you, your staff, and members that ALL regularly scheduled training classes, including pre-apprenticeship classes, beginning March 21, 2020 through April 3, 2020 have been cancelled.

The LTC, under the Shelter in Place Order, is considered an Essential Business and will be running an essential on-site crew at 1001 Westside Drive, San Ramon, CA 94583. The LTC provides training services necessary to the operations and maintenance of “Essential Infrastructure” including, but not limited to public works constructions, construction of housing, and the construction of roads, highways, and public transportation.

During this time, for those contractors performing work on “Essential Infrastructure” projects and need training for members, you may contract Ollie Hurd at 925-580-8180 or send an email to OHurd@norcaltc.org to request training.

Please contact our office at 925-828-2513 should you have any questions.
